A Message from our Executive Director...

The YMCA of Cecil County believes everyone should have the opportunity to become a member, participate in programs, and enjoy the YMCA experience regardless of one's socio-economic background. Therefore, financial scholarships play an integral part in the YMCA mission.

Financial scholarships have increased 30% from this time period last year. The YMCA is privileged to play our part in the community, by offering financial assistance. For instance, 10% of the 250 children participating in Jaguar football & cheerleading are on 100% full scholarships.

The 9th Annual YMCA Golf Tournament Fundraiser was held on Friday, August 20th at Chesapeake Bay Golf Club in Rising Sun. I would like to express my sincere appreciation to the over 32 sponsors of this year's event for their continued support.
