A Message from our Executive Director...

The YMCA of Cecil County believes that everyone should have the opportunity to become members, participate in programs, and enjoy the YMCA experience regardless of one's socio-economic background. Therefore, financial scholarships play an integral part in the YMCA mission.

As indication of the economy, we have almost surpassed last year's total scholarship amount. The YMCA is privileged to play our part in the community, by offering financial assistance. For instance, 10% of the 300 children participating in Jaguar football & cheerleading are on 100% full scholarships.

The 6th Annual YMCA Golf Tournament Fundraiser was held on Friday, August 24th at Chesapeake Bay Golf Club in Rising Sun. We enjoyed a beautiful day for the golf outing, and had a playing field of 115 golfers. In addition, I would like to express my sincere appreciation to over 70 sponsors of this year's event for their continued support.

With school now in session, the air turning crisp and the trees starting to shed their leaves, why not think about a fresh start for yourself...with an exercise program that is! We offer a variety of great programs such as yoga, pilates, body sculpting and youth fitness classes just to name a few. I personally recommend the new Capoeira class (see Aerobics brochure for details)! With the children's X-er game room open for ages 6-13, we now have something for the whole family to keep active! Please see our friendly front desk staff to register or inquire about any of our programs.
