A Message from our Executive Director...

The YMCA of Cecil County believes everyone should have the opportunity to become a member, participate in programs, and enjoy the YMCA experience regardless of one's socio-economic background. Therefore, financial scholarships play an integral part in the YMCA mission.

Financial scholarships have increased 30% from this time period last year. The YMCA is privileged to play our part in the community, by offering financial assistance. For instance, 10% of the 250 children participating in Jaguar football & cheerleading are on 100% full scholarships.

The 8th Annual YMCA Golf Tournament Fundraiser was held on Friday, August 20th at Chesapeake Bay Golf Club in Rising Sun. I would like to express my sincere appreciation to the over 50 sponsors of this year's event for their continued support.

In the Swim of Things...

Matt Wilson, Aquatics Director

Hope everyone has had a great summer, now its time to brace ourselves for the cold. Our fall schedule is gearing up, and I am very excited about the changes we have made to some of our programs.

*Fall/Winter Swim Team starts on September 20th. The team is growing every year, and practice times have been expanded to accommodate that growth. The new practice schedules can be found in the program guide or on the pool bulletin board. There are 4 home meets this season. The pool will be closed during meets and open once they are finished. The meet schedule will be posted in the locker rooms and pool bulletin board.

*Group swim lessons have been slightly modified. All classes run for 45 minutes, while keeping the same prices. We have also reduced the number of classes offered.

*Lifeguard classes will be offered in October and November. Dates and class times are listed in the program guide.
